San Joaquin County Behavioral Health Services community stakeholders are invited to a planning meeting on March 9th from 4:00 – 6:00 pm.

This is the third in a series of meetings to inform community stakeholders on this year's update to the Mental Health Services Act Plans. The meeting will include proposed revisions to 2010-2011 budgets. We will invite public comment and reflection on the draft budgets to ensure that the planning process responds to community prioritizations.

For stakeholders unable to attend this late afternoon planning meeting, there will be an opportunity to provide public comments at the Stakeholder Steering Committee on March 9th at 1:00pm in the Behavioral Health Services Conference Rooms A, B and C at 1212 N. California Street, Stockton.

If you require special accommodations to attend (interpreters, accessible seating, child care, sign language or documents in alternate formats) please call us at 209-468-8871.
