

## Limited English Proficiency Program (LEP)

San Joaquin County Behavioral Health Services is committed to providing language assistance to you.

You have the right to:

### **FREE** Interpreter Services

If you need assistance, ask a staff member for an interpreter and one will be provided to you either in person or by phone.

If you prefer to have a family member or friend to interpret for you, please tell your provider of your wishes.

We will assist you in filling out the necessary paperwork. If you change your mind and wish to request an interpreter, one will be provided to you at anytime.

If you have any questions regarding the LEP program, you may contact:

**Angelo Balmaceda, Interim LEP Coordinator**
