

Transforming
Mental Health Services

Community Planning Meetings – Via ZOOM Call
Mental Health Services Act (MHSA)

The Mental Health Services Act (MHSA), intended to transform public mental health care for children, youth, adults and seniors. MHSA provides funding allocations for community mental health services in five program areas:

- Community Services and Supports (CSS)
- Prevention and Early Intervention (PEI)
- Workforce Education and Training (WET)
- Capital Facilities and Technological Needs (CF/TN)
- Innovation (INN)

Please join us at one of the following community meetings to discuss the needs and opportunities to strengthen mental health services in San Joaquin County. These meetings will include an update on how MHSA funds are currently being used, as well as a chance to share your opinion and recommendations on how to enhance programs and services. Your feedback is needed to inform next year's 2021-22 Annual Update of the 2020-23 Three Year Program and Expenditure Plan.

We are counting on your voice to help guide us!

Meeting accessibility is important. Please contact us at 209-468-8750 to discuss accessibility questions. All meetings are held in accessible locations. Translation assistance is available upon request. Families are welcome.
